Respected Parents/Guardians,

Good evening and Greetings for the Day!

As we approach the completion of my first year in this esteemed institution, I am delighted to express my gratitude for the trust you have placed in me. My mission for the upcoming year is to ensure that your children acquire fluency and proficiency in English, and I am committed to achieving this objective.

As you are aware, our school has recently obtained affiliation with the Council for the Indian School Certificate Examinations (CISCE). This affiliation imposes certain obligations on us, and I urge you to support us in maintaining the requisite standards of discipline.

During our previous PTM, we discussed the necessity of a Tuition fee hike, ranging from four hundred to five hundred to ensure that your children get more facilities in every sphere and at the same time our teachers receive a fair remuneration. I would like to emphasize that the well-being of our teachers is intricately linked to your contributions. Furthermore, we are in the process of recruiting additional teachers for the plus two level, which will incur significant expenses. I am confident that the recruitment process for the upcoming session will be highly competitive and rewarding.

I assure you that we are committed to providing your children with a holistic education that encompasses social upbringing. Hope the inaugural magazine for the year 2024, which showcases the efforts of our students and staff have been found to be extraordinary.

I would like to reiterate my commitment to minimizing the financial burden on parents and in consideration of the financial constraints that many of you may face, I am pleased to announce that the Managing Committee has decided to implement a fee hike by **Rs.195/- (One hundred ninety five) only** for all children from classes PG to X w.e.f. **1st April 2025**. This will provide you with a temporary reprieve, and I am confident that the revised fee structure will be within your budget.

I am pleased to announce that we have decided to initiate sponsorship from classes V to X session 2025-26 for children holding 1st position taking into account all the sections and also gratuity provisions for our teachers from this session onwards. This development would not have been possible without your support.

Thank you once again for your cooperation and trust.

Warm regards,

Tapas Kumar Sinha
